TROUTMASTERS

Fishmobility for Disabled Anglers

Wellsfield Trout Fishery welcomes disabled and less able anglers.

We came up with the “Fishmobility” idea and service a few years ago to help disabled anglers and less able anglers enjoy fly and bait fishing at Wellsfield Fishery.

We recognise that there are very few trout fisheries in Central Scotland that offer a similar policy.

We invested in this concept, made the improvements and the scheme has been successful.

We offer the following:

- Disabled Access Trout Fishing (Fly and Bait Fishing)
- Waterside Disabled Fishing Platforms (levelled concrete with safety rails, wheelchair friendly with adjacent level car parking and easy access)
- Car road access to Disabled Fishing Platforms and all three ponds
- Separate Disabled Car Park at Fishery Lodge Cabin
- Staff help with mobility and access and advice
- All of our fishing platforms have seats
- Available all year, 7 days, Mon-Sun, 8am till Dusk
- Disabled groups and events welcome

For further information or if you have any specific requests prior to your visit to the fishery please telephone: 01324 822800
